

This is a self-help book mainly for women. Women reading it will then have their lovers read it and follow the step by step directions, so that together they can help the woman reach a post-climatic state, which I call Afterglow. Afterglow is an emotional state for the woman, which is far more pleasurable and long lasting to her, than mere climax. The rewards for her and her partner are much longer lasting than a golden hour of good sex.
