

ACUUS provides complete profiles of more than 2,100 U.S. colleges and universities that have expressed interest in recruiting international students. Articles written by prominent education officials at the U.S. Department of State, the U.S. Department of Education, and the American Association of Collegiate Registrars and Admissions Officers (AACRAO) give students valuable insight into the international admissions process in the U.S. The book also introduces international students to the Petersons International Student Network, which enables them to receive catalogs and applications in the mail directly from U.S. schools.
