

1950. The most important book of its time (1882) on the subject of Atlantis. The author claims there once existed in the Atlantic Ocean, opposite the mouth of the Mediterranean Sea, a large island, which was the remnant of an Atlantic continent, and known to the ancient world as Atlantis, that Atlantis was the region where man first rose from a state of barbarism to civilization, that the gods and goddesses of the ancient Greeks, the Phoenicians, the Hindus, and the Scandinavians were simply the kings, queens, and heroes of Atlantis, that the mythologies of Egypt and Peru represented the original religion of Atlantis, which was sun-worship, etc., etc. Illustrated with photographs.
