

Kids need to know that they are loved. Children learn how to behave by watching those they love—and who doesn't love Charlie the Cavalier? Your kids will love their adventures with Lilly and Charlie as they visit the amusement park. More importantly, they will see how Lilly and Charlie interact with others and pick up on their good behavior. Kids sometimes have to do things for the first time without their parents. Charlie the Cavalier is always there for Lilly when her parents cannot be with her. They will learn that * Patience is important when you're waiting to have fun. * Lilly and Charlie are careful and stay safe at the park. * And Lilly was generous at the end of the day. Teaching your children to be kind, well-behaved people doesn't have to be difficult. Simply by following Lilly and Charlie, they will learn that good behavior is also fun! Are your older ones ready for a challenge? Ask them to find the hearts hidden in every picture! These bright, colorful illustrations by Mag Takac will pull your child right into the world of literature, helping to build a foundation for reading, learning, and imagination. The rhymes in this book by Dr. Lisa, a doctorate of education, will also help keep your children focused and provide a gentle, mesmerizing narration that's great for bedtime! Lilly and Charlie are ready for fun--and so are your children!
