

The Meditations and the Letters in this publication speak to the heart of the Catholic religion, viz., that Jesus the Messiah is truly Christ the King. The words are not theological in the least. They are written on a personal level to the reader as a treatise on the experiential nature of the Power of the Love of Jesus that is released in us each time we freely choose to actively participate in the Miracle of Transubstantiation at Mass. The book should be helpful to non-catholics who may not believe that bread and wine are changed substantively into the Body and Blood and Soul and Divinity at each mass. The material is challenging, interesting and quite personal in its presentation.
