

The Pony Express Rides Again... On a motorbike. Will Lachlan risk everything -- for a werewolf? Lachlan enjoys living on the edge, and in a war-torn land rife with savagery, life as a Pony Express Rider puts good cash in his pockets and, on occasion, a roof over his head. Any roof will do. Doesn't have to be his. Until his path clashes with Adairs. At the Chlodwig, a ramshackle pub renowned for its dance fights and high stakes betting, Lachlan and Adairs heated argument turns into something far more raw and powerful. This time, Lachlan's met his match -- in a werewolf. What started as a down and dirty one-night stand grows into something more, but what they have can't last forever -- not when their lives are so diametrically opposed. It's a win all, lose all bet when Lachlan walks into the Chlodwig with a crew of his own, challenging Adair in a dance fight that will either cost him his lover, or win him forever... This collection contains the previously released novellas *Left Side of the Moon*, *Ruled by You*, *Bad Moon Rising*, and *Last Night Stand*.
