Another volume in the Teen Survival Library series published by Julian Messner, this book covers all aspects of alcohol and drug abuse. Chapters deal with. From drugs to disabilities, Tennessee families face heartbreaking The Dose of news that matters to you: This week, drugs, disabilities and. Drugs affect your body's central nervous system. They affect how you think, feel and behave.

This three-pound mass of gray and white matter sits at the center of all human activityâ€”you need it to drive a car, to enjoy a meal, to breathe.

A specialized drug and alcohol treatment center will be able to help you through every step of the recovery process, giving you the greatest. Addiction is a disease that affects your brain and behavior. When you're addicted to drugs, you can't resist the urge to use them, no matter how. Much of what you hear about drugs actually comes from those selling them. Reformed drug dealers have confessed they would have said anything to get others.
