

In FRENCH KISSES George East, our world famous raconteur, funny man and the ultimate innocent abroad encounters another array of weird characters and situations as the notorious Fox of Cotentin nobbles the local chicken show, and a fishing boat disguised as a carrot runs aground in a village square. Elsewhere, a Parisian clock-repairer poses as the Prince of Darkness, while a synchronised drinking team clashes with the baton-dropping champions of all Normandy. There's also the descendant of Nostradamus who makes his predictions after rather than before the event. If you like to laugh at life and the foibles and follies of human nature anywhere, just relax, pucker up and enjoy some affectionate embraces from a master story-teller! George East is the present day guru of French Living and Life with the French countryside. ...Achingly funny and beautifully drawn characters...FPNews ...Its a cracker! ...The Biscuit Fancier: ...Utter crap...Toilet Tissue Times ...Dead funny...
