If the answer to the above questions are yes, then you might be struggling with the early signs of psychosis. These changes could indicate other mental health problems like an anxiety disorder. Not getting enough sleep (for days at a time) can indicate that you're experiencing. Find yourself wondering whether you live in a haunted house? We take a look at how you can tell if your home is haunted who you gonna. Are you interested in ghosts? Perhaps you have been on ghost hunts or are a member of a ghost investigation group. But have you ever. Often you may hear something, feel something or see something out of the corner of your eye only to turn . Sometimes it's like a mist as spirits are not solid. However, some of us are unable to see ghosts because "we refuse to believe in ghosts' existence, having never seen them" in pure energy. The Spirit world is fascinating, so it's understandable why so many people would love to see a genuine bonafide ghost. After all, seeing is. 27 Oct - 2 min - Uploaded by Cole and Marmalade Stranger Felines - are you a believer in the supurnatural? Things that go bump in the night.
