

He Is...I Say examines Neil Diamond's singular place in the pantheon of popular music. David Wild—who interviewed Diamond for Rolling Stone, penned the liner notes to a number of Diamond's anthologies, and produced Diamond's scandal-free episode of Behind the Music—now dares to turn on his "Heartlight," offering a moving and often hilarious salute to his own Jewish Elvis, one based on his interviews from over the years with the Solitary Man himself. An illuminating snapshot of a beloved American icon, He Is...I Say endearingly speaks to the condition of being a Diamondhead in a hipper-than-thou world, while fully illustrating exactly what it is that makes the man and the artist so special.
