

As Jesus was known in his day as a teacher who spoke with authority, it may be surprising to discover just how many times he asked a question of his listeners rather than telling them something outright. What kind of an all-knowing God asks questions of mere humans? This thought-provoking study of the questioning Jesus is a unique exploration of one of his most subversive teaching tools. In *Holy Curiosity*, popular author and columnist Winn Collier invites readers to hear Jesus's persistent questions, to allow them to penetrate the soul, and to be called to the untamed life that Jesus offers. The questions covered include "Who condemns you?" "Why do you doubt?" "Do you believe this?" "Does this offend you?" and more. Collier challenges readers to see Jesus in fresh ways, discarding sterile caricatures for a Jesus that is real, strong, and absolutely relentless in his pursuit of us.
