

The Reading and Writing Booklet includes four pages per unit to target specific skills. The first page focuses on reading, the second on comprehension with more of a range of texts than those offered in the CLIL and Wider World pages of the Pupils Book. The third page offers reading and writing activities to revise the key vocabulary, and using the fourth page pupils have the opportunity to write texts which practice punctuation, syntax and structure. An answer key is provided at the back of the Teachers Book. Details of when to use this booklet are given in the teaching notes.
