

Ocean City, which calls itself Americas Greatest Family Resort, is today best known for its wide, clean beaches and a yearly bayfront celebration called the Night in Venice. Founded in 1879 as a Christian seaside resort, the island community still maintains some of its early traditions including prohibiting the sale of alcoholic beverages--while striving to continue its long-standing reputation as a family-oriented resort. This remarkable new photographic history features such historic sites as the home of the towns firstresident and famous old-time restaurants like Chris, Hogates, and Watsons. Several rare pictures of the shipwrecked Sindia and its cargo are also included, as well as photographs of Ocean Citys most well-known citizens, Princess Grace Kelly and author Gay Talese.
