

The year is 1977 and Adrian is nine. He lives with his Gran and his uncle Rory; his best friend is Clinton Tull. He loves to draw and he wants a dog; hes afraid of quicksand, shopping centres, and self-combustion. Adrian watches his suburban world, but there is much he cannot understand. He does not for instance, know why three neighborhood children might set out to buy ice-cream and never come back home. This book was published in the United States under the title What the Birds See.
