

Introduction Marc Chagall born Moishe Segal (1887 – 1985) is one of the most famous of Russian artists of our time. Born in Vitebsk this remarkable artist became a skilled painter, lithographer, designer and etcher. His artworks sell for millions and his book illustrations are in such high demand as most people cannot afford his artworks as prices have dramatically risen in recent years. This eBook gives the details of the books where these illustrations can be found with the recent prices that they achieved at auction. Collecting original illustrations can be quite fruitful and a good investment. If you're lucky enough to find one of the rarer signed ones you're on your way to affording a small house as some of his illustrated books sell for several hundred thousand pounds. If you want to start collecting original illustrations such as lithographs, etchings etcetera by this artist then this eBook is ideal for the collector who doesn't know where to start. With valuable information at your hands such as the author of these books, the publisher, the year and the illustrations inside these books you will soon learn about the financial benefits of collecting these books either as an investment for the future or to sell on immediately for profit. This eBook lists details 30 books that contain original illustrations of the work of Marc Chagall.
