

With the publication of *Religious Movements in the Middle Ages* sixty years ago, Herbert Grundmann set the conceptual framework for the historical study of several significant topics—including the origins of medieval heresy, the pastoral care of women, the rise of vernacular literature, and the origins of the friars. For two generations every scholar working on those topics has been influenced directly or indirectly by Grundmann's masterful work. "Joseph H. Lynch, Ohio State University Medievalists, historians, and women's studies specialists will welcome this translation of Herbert Grundmann's classic study of religious movements in the Middle Ages because it provides a much-needed history of medieval religious life—one that lies between the extremes of doctrinal classification and materialistic analysis—and because it represents the first major effort to underline the importance of women in the development of the language and practice of religion in the Middle Ages. " This translation makes available to the English-speaking world one of the greatest works of German historical scholarship from the twentieth century and one of the greatest works of medieval history ever written. Sixty years after its original publication, *Religious Movements in the Middle Ages* remains not only learned and powerful, but innovative—even radical—as well. "Caroline Walker Bynum, Columbia University

Basic ICD-9-CM Coding, 2006 edition, with Answers, Career Opportunities in the Travel Industry, Under the ocean (The natural world), Body Language Box Set: A Beginner's Guide to Better Understand Body Gestures and Eye Signals with Extra Tips to Easily Read And Talk Body Language (body ... language secrets, body language attraction), If I'm in Charge Here, Why is Everybody Laughing?, Circular Of Information, The 10 Most Important Things You Can Say to a Jehovah's Witness, Leyes del Karma - la Filosofia de la Enfermedad y el Renacer (Spanish Edition), School Spirits: The National Directory of Haunted Schools, Academies, Colleges, Libraries, and other places of Higher Learning.,
