

You might be wondering, How could I communicate Gods loving presence or share my faith, if I am not always sure of what I believe? How could I bring anyone back to God or to the church? I am not an expert or an evangelist and I dont want to knock on doors! Fear not! We will help you see the details of your everyday life in the light of a lived faith. We will help you move from accidental kindnesses and invisible beliefs towards intentional acts of faith that enable others to experience Jesus in new ways. This book encourages Christians to have a deeper awareness of the spiritual needs of those you meet in your everyday life. It also goes one step further by affirming the gifts you are given by God so that you can respond to the spiritual hungers of family, friends and co-workers. Finally, we offer practical skills for sharing your faith through four simple steps: prayer, caring, sharing and inviting.
