

If you are interested in getting a Singapura cat then you should take a look at this great guide. This is a breed that is rather unique, fascinating and special, a truly fine cat that can be ideal to have as a companion in your life. This book covers all the important details about the breed ranging from how to take care of the cat to learning about its personality, grooming the cat, feeding and taking care of the cats health in general. The life of the cat is covered in this book: from birth to the aging cat. When we welcome these animals into our houses, they become part and parcel of our everyday lives; they become family, hence the need to document yourself with everything you need to make your cat happy and to make you a happy cat owner.

You will also learn about teaching your cat some of the mannerisms that are important to establish and maintain a good rapport between the cat and the rest of the family members. I wish you all the happiness as you welcome this lovely cat into your home. Covered in this book: - History - Finding a reputable breeder - Personality - Supplies needed - Health - Behavior - Bringing your cat home - Basic care - Training - Grooming - Feeding - Travelling - Daily care - Costs - Caring for your aging cat and a lot more
