

When Brave adventurer Sir Sebastian Summer is asked to accompany his fellow adventure, Lord Muttersworth, to the frosty heights of the Nepalese mountains, he must overcome the treacherous conditions in order to reach the summit of Mount Everest. On the way he faces many challenges, including ice-lashed paths, icy chasms, and inebriated Sherpas! The only question is, could Muttersworth--a man he has long trusted--have an ulterior motive for bringing him along on this quest? When a strange series of misfortunes begin to unfold, thus placing Sir Sebastian's life in peril, he is forced to dig ever deeper into his own past if he is to unlock the truth behind a dastardly secret.
