Skunks are small, furry animals with black and white stripes. Some skunks are striped, and some are spotted or have swirl patterns on their fur.

Even if you don't particularly care to know about skunks, we're guessing you're very interested in keeping them away from you. Here's how to. You may not have seen a skunk in your neighborhood, but you've probably smelled one. Their smelly spray, called musk, is not easy to ignore! Skunks live all. A skunk is one of the most peace-loving, non-aggressive animals you could ever meet. Skunks are also extremely nearsighted. They will only "shoot" their. Pet skunks are active, intelligent, and affectionate, but can be a handful. Learn how to care for these animals, including housing, feeding, and more.
