

Slavery is one of the darkest, most complicated parts of American History. This volume presents the facts of the abominable trade from its beginnings in the West Indies to its expansion across the British North American colonies, and eventually, the United States. Readers will learn about the horrors of the Middle Passage and life on a plantation, as well as slavery's effect on the economy and politics of the United States. This book also covers the abolitionist and civil rights movements along the road to racial equality. Primary sources are used to give readers a sense of life in colonial America and the United States, and connect them to the issues that existed.

The Arabian Nights (Annotated), West Highland Way: The Ultimate Guide, Vital Statistics of the United States, 1960, Vol. 3: Marriage and Divorce, Learn Romanian, Racial Reckoning: Prosecuting America's Civil Rights Murders, How to Study, The Ultimate Compendium of Internet Marketing Tools & Resources: 101+ Best FREE Hacks Used By Wildly Successful Entrepreneurs to Build Multi-Million ...
