

In a fresh, captivating style, Sally Miller presents a new way to approach God's Word. Since women value close relationships, she encourages them to experience the Bible as an intimate friend—as someone who gives practical advice, offers loving comfort, and challenges them to grow. *The Bible Is a Girl's Best Friend* is ultimately about the love and promise found in daily connection with God. Sally beautifully presents the Bible as the active way God speaks to people. Through stories of friendship, she reveals how God uses His Word to reach out to each reader—loving her, guiding her, correcting her, and offering her a personal relationship with Him through His Son, Jesus. From the strength and support God offers during trials to the assurance that He is always with them, women will discover many life-changing truths and experience the joy of knowing they are loved by God and by friends.
