

Excerpt from The Perfect Life: In Twelve Discourses This Volume of Discourses, chosen with care from the mass of Channings manuscripts, is named The Perfect Life, because the Title best marks its Character. It is now published, as apparently called for by the wide reception of his writings, and in the assurance that it will meet with welcome from his large circle of friends in the Old World and the New. In reading these Discourses it should be kept constantly in mind, that they are precisely what they claim to be - a Ministers pulpit addresses to his own Congregation. They are neither Lectures for the learned, nor Essays for a literary circle, nor Papers for a critical Journal. Still less are they a Theological Treatise. But they are Calls to the People to come up higher. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
