The greatest investment advisor of the twentieth century, Benjamin Graham, taught and inspired people worldwide. Grahams philosophy of value investing -- which shields investors from substantial error and teaches them to develop long-term strategies -- has made The Intelligent Investor the stock market bible ever since its original publication in 1949. Over the years, market developments have proven the wisdom of Grahams strategies. While preserving the integrity of Grahams original text, this revised edition includes updated commentary by noted financial journalist Jason Zweig, whose perspective incorporates the realities of todays market, draws parallels between Grahams examples and todays financial headlines, and gives readers a more thorough understanding of how to apply Grahams principles. Vital and indispensable, this HarperBusiness Essentials edition of The Intelligent Investor is the most important book you will ever read on how to reach your financial goals.
