

Who better than another woman to understand the subtle slights and not-so-subtle struggles a woman faces? There exists an ancient and sacred tradition of women inspiring other women – in overcoming seemingly impossible difficulties, in following dreams into uncharted territory, in rising to great heights of achievement, in finding spiritual and creative fulfillment. B. J. Gallagher’s *The World’s Best Advice from the World’s Wisest Women* is a collection of wisdom, advice, personal anecdotes, inspirational quotes, and amusing one-liners, all celebrating what women learn from one another. It covers topics all women can relate to, regardless of age or experience: work, friendship, love, money, motherhood, creativity, happiness, and more. Gallagher also shares stories about the many women who have taught her, from grandmothers and actresses to politicians and shopkeepers.
