

This Little Pink Book(tm) series explores cancer through the eyes of a child, using whimsical stick characters and an unpretentious storyline. When Moms Cancer Doesn't Go Away is perhaps the most difficult of this Little Pink Book series. Death and loss are not easily talked about, yet they are events that all of us must eventually face. The love and prayers of family and friends have the ability to transcend all circumstance - imparting hope in place of darkness during times of loss and beyond.
