

Marriage is a covenant! Marriage is a mirror image of our relationship with our Lord and Savior, Jesus Christ. Marriages should reflect Him. Marriage should be a reflection of Christ and His bride, us. When we look in the mirror, as a couple, do we see Jesus Christ? Do we display Christ to our spouses, to our children, to our family, to our friends, and to the world? Are we leaving a legacy for our children to duplicate what is modeled for them? We have been married for almost 25 years and we have enjoyed this journey every step of the way. Our marriage is definitely EPIC!!! Praise the LORD!!! We're not called the "Love Couple" for nothing! :-) We have seven children and three of our children are young adults, who are excited about the idea of having a marriage and family of their own! Marriage takes work! It is a job! Since, it's a job, consider all that you do to exemplify Christ on your job. Be encouraged to fight for your marriage and to do whatever it takes to leave a lasting legacy for generations to come! This short read will encourage you to reflect Christ in some practical ways. You will discover how to be an "EXCELLENT" wife and a husband of "VALOR". We have implemented these tools and pray that in some form, it will encourage you to do the same. You can choose to use this book as a couple devotion, as a couple small group Bible study, or just read it alone. However, you decide to use this book, we pray that your marriage will be forever changed and that you will leave a legacy of an "EPIC MARRIAGE" for generations to come!!!
